

Confirmation Mentor/Student Meeting May 2022

****Your assignment this month is simply to spend time together. Go for a walk, get a sweet treat together, play a board game, something fun that gives you an opportunity to talk...**

***Feel free 😊 to include some “faith talk” about what you learned about the Old Testament this year. Even more importantly, find a moment to share about how God’s love and presence is important in your life.**

***Make a plan to stay in touch over the summer. (Texts, facetime, in-person...)**

Thank you mentors, students, and parents for sharing the Confirmation journey with me and with one another this year!
